

# Pixel Defender: Aafreen's Bank Rescue

Starring Aafreen

## Panel 1: Trouble at First National

High above the city, the silence is broken by a piercing siren. Downtown needs a hero.

**Aafreen:** That's the alarm at First National. Looks like duty calls!

## Panel 2: Into the Vault

Aafreen drops in, catching the bandits completely off guard.

**Aafreen:** Surprise! I hope you all have accounts here, because you're about to make a withdrawal... from society!

**Robber:** It's the Pixel Defender! Get her!

### Panel 3: Quick Thinking

Speed and strategy are her best weapons. A small pellet hits the floor, and the room vanishes.

**Aafreen:** Can't catch what you can't see!

**Robber:** Cough! I can't see a thing in this fog!

## Panel 4: The Disarming Move

Gliding across the marble floor, she strikes with precision.

**Aafreen:** Your 'withdrawal' has been denied!

**Robber:** My bag! She kicked it right out of my hands!

## Panel 5: Securing the Vault

The heavy vault door swings shut with a satisfying metallic thud.

**Aafreen:** I've upgraded your security. You're staying in the vault until the police arrive.

**Robber:** Hey! Open up! It's dark in here!

## Panel 6: A Hero's Exit

As the sirens of the police cruisers approach, Aafreen steps back into the sunlight.

**Citizen:** Three cheers for the Pixel Defender!

**Aafreen:** No need for thanks! Just keeping our city safe.
